TREE WORK SPECIFICATIONS

The scope of this bid shall consist of the following:

- **Trimming and/or removal of trees and stump grinding. The Public Works Director/DPW Foreman shall designate which trees are to be trimmed and/or removed.**
- **Trimming and removals are to be quoted at an hourly rate.**
- **Stump grinding shall be quoted on a per diameter inch basis.**

Contractor will be responsible for furnishing all safety equipment, manpower, aerial truck, brush chipper, power saws and all other required equipment. Limbs of less than 6" in diameter shall be chipped; larger logs shall be cut into manageable lengths and left behind the curb. Stumps and roots shall be ground to at least 4-inches below existing grade. Chips from stump grinding may be left over area where stump was ground. Street, sidewalk and adjacent lawn areas must be raked/swept clean. Work area shall be cleaned and left free of debris.

Daily records documenting the locations and the number of hours worked for trimming/removals and/or number of diameter inches for stump grinding shall be maintained by the contractor and submitted with invoices to the Director of Public Works for payment. Work under this contract shall be for fiscal year 2018/2019 (July 1, 2018 through June 30, 2019) and shall commence within sixty (60) days after notification, or as agreed to after award. All work shall be completed in a timely, neat and professional manner. Payment for completed work will be made within 30-days of invoice being approved by the city.

Contractor must be available to respond to emergency tree work within 24-hours if necessary. Emergency work will be limited to abating the hazard. Normal work may be scheduled throughout the year.

The successful bidder will be required to furnish a certificate of coverage of contractor's public liability and property damage insurance in the amount of at least \$1,000,000 for liability and \$1,000,000 for accidental injury.

It is the intention of the City of Durand to award this contract to an experienced, qualified contractor. **List on the bid form a brief description of the equipment and manpower that will be available to perform this work, along with the names, addresses and telephone numbers of three business references for which you have performed tree-trimming services.**
